CIRCULAR LETTER TO ALL BRITISH COLUMBIA LAND SURVEYORS

Re: Integrated Survey Area Coordinates

NAD 83 coordinates for the following Integrated Survey Areas have been issued as supplementary certificates and are now on record in the pertinent Land Title Offices and municipalities.

Nelson - ISA 3	Saanich - ISA 30
Granisle - ISA 6	Vancouver - ISA 31
Logan Lake - ISA 7	Parkesville - ISA 32
Cranbrook - ISA 9	Port Moody - ISA 35
District of North Vancouver - ISA 16	Maple Ridge - ISA 36
Victoria - ISA 17	Colwood - ISA 40
Richmond - ISA 18	City of North Vancouver - ISA 44
Burnaby - ISA 25	

Plans of surveys within Integrated Survey Areas for which NAD 83 coordinates have been issued must be prepared using NAD 83 grid bearings. There will, of course, be a grace period for surveys which are already largely completed. We would urge surveyors to rotate and translate surveys which are not at the draughting stages wherever possible.

Where surveys which were prepared on NAD 27 bearings are submitted to this office or to the Land Title Offices, please include an explanatory note to alert staff and avoid confusion.

Yours sincerely,

D. A. DUFFY
Surveyor General
and Director
