**CIRCULAR LETTER TO ALL BRITISH COLUMBIA LAND SURVEYORS**

**Re: Integrated Survey Area Coordinates**

The Surveyor General Branch is in the process of issuing supplementary certificates for the integrated survey areas listed on the accompanying appendix.

The supplementary certificates list destroyed control monuments, adjusted coordinate values for existing integrated survey monuments and coordinates for newly established monuments in the various integrated survey areas. In no case are the boundaries of integrated survey areas modified.

The supplementary certificates will be in the pertinent Land Title Offices by January 15, 1996

Yours sincerely

Patrick Ringwood  
Acting Surveyor General
