CIRCULAR LETTER TO ALL BRITISH COLUMBIA LAND SURVEYORS

Dear Sir:

Re: Survey Post Charges

Due to rapidly rising costs, the existing price structure governing the various types of posts available to surveyors through Government Agents' Offices is reflecting an increasing loss over costs to this Department.

An upward revision of prices has therefore become necessary.

Effective immediately, therefore, the following unit prices on survey posts obtainable from government outlets will apply:

B.C.L.S. Survey Post, ½" square, galvanized iron, pointed, with expanded head	\$ 2.50 + tax	
Aluminum Post Caps75	"
Standard Rock Posts	2.50	"
Standard Pipe Posts	7.00	"
Driveable Pipe Posts	9.00	"

It shall remain the policy that the ½" square, galvanized iron, pointed survey post with the expanded head will only be sold to you with the equivalent number of aluminum post caps. Post caps however may be sold independently.

Yours truly,

A. H. Ralfs,
Surveyor General and Director,
Surveys and Mapping Branch
