**TO ALL BRITISH COLUMBIA LAND SURVEYORS**

**Re: Parcel Designation and Plan Examination Fee Increase**

Effective April 1, 2007 the fees charged for *Land Act* and *Mineral Tenure Act* parcel designations and plan examinations will be increased in alignment with the consumer price index as authorized by the Land Title and Survey Authority of British Columbia–Province of British Columbia Operating Agreement.

The new fees for these services effective April 1, 2007 will be:

Parcel Designations and Plan Confirmations	\$310 (per plan)
Mineral Tenure Act Plan Confirmations	\$104 per unit with a \$520 minimum fee per plan

The appropriate fee for digital plans submitted electronically through the Electronic Filing System will continue to be automatically withdrawn from the submitter's BC OnLine account.

Physical plan submissions must continue to be accompanied by a cheque to cover fees payable to the Land Title and Survey Authority of British Columbia.
